SUMMER

VACATION

HOME - WORK

*“THE REAL VOYAGE OF DISCOVERY consists of not only seeing new LANDS
but in seeing with new eyes”*

For students summer vacation is the most exciting time as they get a long school break. Summer vacations are synonymous to fun and frolic. It is also the best time to switch on their search engines and to use their exuberance and unlimited talent in a positive and constructive manner. Well researched systematic differences in various countries is important for the learning process. It is important for the students to have a deeper global awareness and understanding to foster international unity and so the holiday homework deals with the study of different countries around the world.

Here are a few summer break tips for our parents :-

- Let the child explore himself with his individual efforts.
- Be a mentor and motivator.
- Praise their work and efforts. Your motivation and encouragement can bring a new creativity in your child.
- Make him/her read , explore and talk more on homework related material.

Guidelines while doing the homework are :-

- (i) The homework deals with the comparative study of three countries – India, Sri Lanka and Maldives.
- (ii) The homework should be neatly done with the Name Class & Section of the child mentioned clearly.
- (iii) The last date for submission of holiday homework will be Friday, July 7th, 2017.

WISHING ALL OUR STUDENTS A HAPPY AND REJUVENATING
