Event : Earth Day – Save the Planet
Venue : Foundation Block
Classes : Root, Bud & Bloom

Details : Value based education approach offers a new way of thinking about education and how children can be supported to develop and become successful and happy members of the global society. It encourages reflective and inspirational attributes and attitudes. They can be nurtured to help people, discover the very best of themselves which enables them to be good global citizens and prepare them for their working life.

Our little learners of class Root, Bud and Bloom were taught the importance of saving our earth and making it a better place to live. To help our children learn the importance of keeping our planet clean and celebrating the earth ‘Save the Planet’ activity was organized in the Foundation Block on Friday, 20th April, 2018. It is never too early to start teaching children the importance of keeping our planet clean and preserving its natural resources. After all, little steps can lead to big changes. Keeping this in mind various earth day crafts and activities were organized for our children. The activity began by teaching our children about their mother planet earth and how they can keep their planet clean.

A special assembly was conducted and a PowerPoint presentation was shown to them. Banners and charts were put up in each of the respective classes to highlight the event with slogans such as- Plant more Trees, Save Water- Save Earth, Save Fuel, Save Electricity, Reduce Reuse and Recycle and many more.

To promote curiosity and nature love in our children they were taken out for the nature walk and were told about the importance of planting trees and keeping their mother earth green. They went crafty by colouring and doing ear bud painting on the picture of earth to be stuck in their drawing copy. They also had fun and hands-on experience while doing colouring and bubble wrap painting with blue and green colour on the cut out of earth and carried their creative design with them as a take away.

Event : Spiritual Sojourn
Venue : SPSEC
Guest : Acharya Shree Raghavkirti Ji

Details : Spiritual bliss holds key to our aesthetic, intellectual and cognitive satisfaction. SPSEC was privileged to create a divine ambience for its students and their parents to be a part of a spiritual sojourn in the gracious presence of His Holiness Acharya Shree Raghavkirti, a renowned theologian and practitioner of occult science. It is our endeavour to bring the seekers of spiritual contentment and the luminary under one roof. In this two-day event, the environs were pervaded by intellectual insights on progressive living and high thinking.

On day one, His Holiness presided over the gathering of the students. He enlightened them on spirituality and prominence of meditation in life. The motivational discourse proved to be a great platform to heighten the proficiency and competence of the students.

On day two, the solicitous parents were enlightened with benevolent insights by His Holiness on virtuous parenting and the prominence of meditation in today’s nerve-wrecking lives. He cited references from Vedas and other holy scriptures that act as guiding lamp posts for blissful togetherness and coexistence in harmony. The Officiating Principal of our school Mrs Bhawna Gupta, the Manager Mr Ashish Bhargava and the Vice-Principal Mrs Mallika Arora graced the occasion and expressed their heartfelt gratitude to the Acharya for the insightful session.
