

Mothers' Day celebrated

KANPUR: Mothers' Day was celebrated in the Foundation Block of Sir Padampat Singhania Education Centre on Saturday. The event was graced by the Principal Bhawna Gupta, Vice-Principal Divya Mehta and the enthusiastic and adorable mothers of the Root Section. They were crowned with the title of 'Proud Mom' and were formally welcomed to the vibrant amalgamation of dance and music.

Delicious food is always relished by children. To provide this marvellous opportunity of showcasing their cooking talent a 'Tiffin Queen - Flameless Cooking' activity was organised, where mothers prepared tasty and healthy snacks for their children. The event witnessed maximum participation. They made flavour-some cuisines which were healthy, tempting and highly nutritious. They floored all by their enthusiastic level of participation, the awareness, recip-

ies and above all the amazing presentation of the lunchboxes. Simultaneous participation by the other mothers in the Musical rounds of Antakshari added symphony and harmony to the atmosphere.

Children of Bloom presented a heart throbbing stage performance to convey gratitude to moms for their unconditional love. Mothers also put their dancing shoes on and

added glitter to the celebration by participating in 'Dancing Queen' - a dance competition, which was organised for them. It was a pleasure watching the super excited moms with their mesmerising and energetic performances. The outcome of their efforts in both the activities was marvellous. Each mother was special and different in her own way. The effort of matching their outfits with

the theme and their pleasure of participation was appreciable.

To make our special moms relive their childhood memories, few games were also organised for them; they all participated with great zeal and enjoyed the games.

Winner mothers were awarded by the Principal and Vice-Principal. The programme came to an end with a vote of thanks.
