Focus on today with positive thoughts and expectations”.**

Dear Parent,

Greetings from Sir Padampat Singhania Education Centre!

We extend our heartfelt gratitude for your consistent and unceasing support in all our endeavours. Your valuable suggestions succoured and motivated us to do even better in an onerous and arduous scenario.

With the beginning of the academic session 2021-2022, we are determined to perpetuate doing the best for our students.

To make the online classes effective for the children we request you to kindly make a note of the following :

1. Create a noise free online zone for your ward, where the classes can be attended without any disturbance .
2. We would appreciate a child attending the virtual sessions in the school uniform.
3. The timetable shall be shared a day prior . Encourage the child to pack his/her bag and keep all required books , notebooks & stationery.
4. The students shall have a lunch break during the virtual classes. Pack a healthy eatable that the child can have during this time.
5. Ensuring that the child is fresh while attending classes would increase the efficiency and concentration. Help him/her to get the required hours of sleep.

We are sure that, with your continued cooperation we shall be able to strengthen the value of discipline in our students and also create a well modelled virtual school for them.

With warm regards,

Bhawna Gupta

Principal
