

SIR PADAMPAT SINGHANIA EDUCATION CENTRE

KAMLA NAGAR, KANPUR

HOLIDAY HOMEWORK

CLASS VI

ENGLISH

Read the story 'Gulliver in Lilliput' by Jonathan Swift.

Please note:

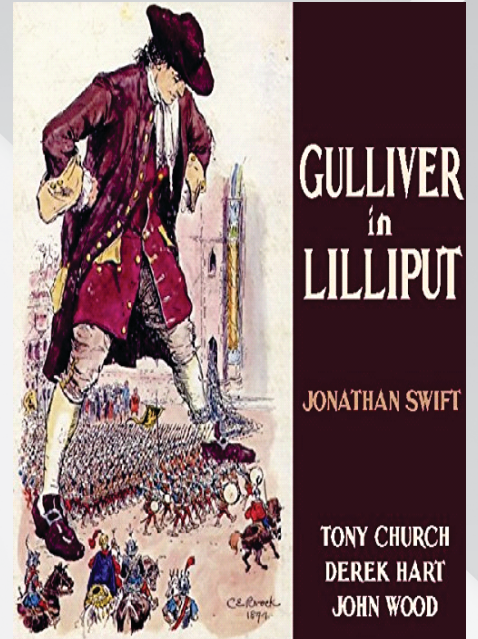

(i) Write a review of the story.

(ii) Imagine yourself as Gulliver. Describe your experience in about 120 words in a paragraph on a comment sheet. You may utilize the following points:

Your ship was wrecked....you were in the middle of the ocean... you started swimming towards an island to save yourself..... while swimming you saw fishes and even a shark.

(iii) Draw a picture related to the story.

NOTE: Use comment sheets for writing, art sheets for drawing and make a proper file with a decorated cover page.

HINDI

देश के किसी एक स्वतंत्रता सेनानी का सचित्र वर्णन करते हुए उनके जीवन से संबंधित किसी एक महत्वपूर्ण घटना का उल्लेख कीजिए।

नोट : गृहकार्य हिंदी नोटबुक में कीजिए।

SCIENCE

Collect information about any five scientists. Paste their pictures and write their contributions on different art sheets.

MATHEMATICS

Represent the date of birth of 4 members of your family in Roman numerals using plastic straws.

Like if the date of birth is 15th August 1992

Represent it as below

XV. VIII . MCMXCII

Put the sheets in a file and try to use creativity to make it more attractive.

MATERIAL REQUIRED -

1) Art sheet

2) Plastic Straws

3) Pencil, Colours, sketch pen, fevicol etc.

SOCIAL STUDIES

The Surajkund Mela has a great significance as it promotes the Indian culture and encourages all the local artisans to showcase their skills. Every year the festival is celebrated keeping in mind a specific theme, that is, Indian states to highlight India's diverse cultural history. The Mela draws huge crowds every year and is extremely popular among seekers of art and craft.

Collect any five pictures of this mela and write a few lines describing the mela.

Note : The above holiday homework must be done on an art sheet and pasted in the Geography Notebook.

COMPUTER

PowerPoint Presentation

Topic- Robotics

Points to be covered:

- * Introduction
- * Application of Robotics
- * Importance of Robotics in today's life(Medical, Education & Transportation)
- * Future concern of Robotics
