Date : 06th May, 2022
Event : My Mother My World
Classes : Root – VIII

Details : Signifying that mothers are the emotional backbone of the family and they have the magic touch of warmth to make all things beautiful, Mother's Day was celebrated in Classes Root to VIII.

In classes Root to V, the day initiated with a special assembly where the CCA Teacher In-charges shared that the mother is our first teacher, friend, guide, and mentor. The Choir presented a melodious song dedicated to all mothers. After which the myriad activities like Bouquet Making, Sowing Seeds, Message & Letter to mom were taken up. The young Singhanians learnt to express their love for the most amazing person in their lives, their mother. With this, the purpose of the activities was successfully clinched.

Mother's Day was celebrated by students of Classes VI to VIII to make their moms feel special and let them know how important and special they are. Students of Class VI made this day memorable by writing letters to their mothers expressing their true love for them. Class VII students made beautiful photo frames in which they pasted the pictures of their

mothers and gifted it to them. The students of Classes II to VIII made Doodle Art to express their compassion and appreciation towards their mothers. It was an honour for all the mothers to be appreciated and make them feel special by their children.

Date : 07th May, 2022
Event : Rabindra Nath Tagore Jayanti
Classes : IX to XII

Details : SPSEC observed the 161st birth anniversary of Rabindranath Tagore, an eminent Bengali poet, writer, novelist, philosopher, painter and Nobel laureate, Bard of Bengal on 07th May 2022. On this occasion, our school organized a series of activities that focused on Tagore's poetry and plays. The students were briefed about Tagore's education philosophy. They were also informed that how, we at SPSEC follow his teachings that inculcate the love for nature and education. They were also informed about the education being imparted in Humanities stream at our school in the kaleidoscopic beauty of the luxuriantly canopied trees and aesthetically laid out campus. The curriculum is a testimony to Tagore's belief that the close connect between students and nature is the founding principle of education. Head of the Department, English fostered among students of Classes IX to XII about Gurudev's intertwined belief in education and nature to let them enjoy their literature in the lap of nature at the School's Botanical Garden. Students felt enlightened knowing about this great personality and resolved to follow his teachings in the path to peace and success.

Date : 07th May, 2022
Event : Selection for Under-15 at the National Level

Date : 18th May, 2022
Event : Clay Craft (Clay Modelling Activity)
Classes : Root, Bud and Bloom

Details : Little Singhanians took part in the Clay Modelling Activity with a great fervour on 18th May, 2022. This activity stirred the students of Classes Root, Bud and Bloom to use their ideation and inventiveness to construct and adorn the models by pressing, squeezing, poking, and reshaping the clay into different shapes, sizes and designs. Students of Root shaped eclectic merry faces with clay. Whereas students of Bud and Bloom made flower scenery. It was a blissful activity for every student as such activities help in gross motor skill enhancement.

Date : 21st May, 2022
Event : Parent Teacher Meeting
Classes : Root to VIII

Details :

Root to V

The school conducted Parent Teacher Meeting for the students of the Classes Root to V on 21st May, 2022 with a thought that this connect will help teachers to share academic improvement and growth of students based on observations, activities and assignments done by them. The parents were sensitized for quality education of their children as they were apprised with the activities that will be conducted by the school for the overall development of the children throughout the year. Parents were requested to ensure regular attendance and make their children practice the study material that is shared with them from time to time. The P.T.M. was very smooth, lively and fruitful for both the parents and the teachers and it concluded successfully with positive feedback from the parents. They were inclined to acknowledge the efforts taken up by the school in the accomplishment of co-curricular and academic activities.

Classes VI to VIII

S.P.S.E.C. conducted its first P.T.M. for the session 2022-23, on the 21st May, 2022 for Classes VI to VIII also. As this was the first meeting of this session, the main objective was to create a common platform where the teachers and the parents could come together to discuss students' performance and advise ways to enrich their learning. In the meeting the feedback regarding studies, health and performance of their wards was discussed. Teachers requested the parents to encourage their children to participate in all the activities. Parents expressed their satisfaction towards the school for sharing all important information on the daily basis with them. With 82% attendance of the parents, the P.T.M. was a great success and the parents shared their positive views towards the tremendous efforts put up by the school.

Date : 23rd May, 2022 to 31st May
Event : Orientation Program for Stream Selection
Venue : Library
Class : XI

Details : To facilitate students of Class X at this vital stage of their academic journey when they have to choose a stream of their career ahead, the school organised a Subject Orientation Session from May 23 to May 31, 2022 from 7:15 a.m. to 12:25 p.m. so that the students take a right decision about their subject selection.

This programme aimed to discuss the prospects of different streams and subjects that are offered at our institution in class XI. The objective of the programme was to orient the students so that they select the stream most suited to their aptitude and capability. The orientation was a blend of knowledge as well as counselling. The session focussed to reiterate the need for the children to recognise the importance of the choice most suited to them and not the one that is guided by peers or even the aspirations of their parents. The erudite Heads of all Departments with subject experts of all streams introduced their subjects and imparted the scope of their subject fields for further studies.

In the Online classes that were conducted for about 10 days, students studied different subjects of Science, Humanity and Commerce streams so that they are familiar with different subjects and are ready for the Aptitude test to be held on 1st June, 2022. The students were also shared a link on the last day to fill the google form for stream selection with a positive and decisive state of mind.

Date : 24th May, 2022
Event : Commencement of Online Classes
Classes : IX to XII

Details : SPSEC switched the teaching of Classes IX to XII from offline to Online mode on 24th May 2022, following the administrative order due to extreme heat waves. Students and parents were apprised about the Time Table and Class Codes. These online classes were conducted by teachers from school from 24th May onwards. The orientation classes of Grade XI were also conducted online for five hours every day till 31st May.

Date : 25th May, 2022
Event : Webinar on Stress Management
Attended by : Parents of the Classes IX to XII
Resource person : Mrs. Farzana Ali (Secretary Sahodaya Schools Cluster)

Details : An Online webinar on Stress Management was executed by CBSE to well equip the parents of children in Secondary and Higher Secondary classes on how to deal with the pressure of Board Exams. Mrs Farzana Ali, Resource Person, Secretary Sahodaya Schools threw light on the techniques that could help make exams more productive rather than creating fear and anxiety. She focused on how exams can help stay motivated and gain the life skills for the prospects. The session was an initiative towards devising a conducive environment to instil the value of education, dealing with realistic challenges in life and contributing to society through their learnings and achievements. She focused on how the emotional well-being of children is to be considered the prime objective before any academic achievement. The purpose of the webinar was to convey the message to the parents to become more understanding and empathetic towards their youngsters without demanding.

Date : 29th May, 2022
Event : Inauguration Ceremony of Shri Govind Hari Singhania Centre for Advanced Learning
Venue : Sir Padampat Singhania Education Centre and GHSIMR Auditorium
Chief Guest : Prof. Abhay Karandikar, the Director, IIT-Kanpur
August Presence : Smt. Manorama Govind Hari Singhania, the Chairperson
: Mr Partho P Kar, the Vice Chairman & Director
Other Guests : Prof. Siddhartha Panda IITK, Dean Of Students Affairs (DOSA), the members of Science and Technology Council of Student ' Gymkhana, IIT-Kanpur, distinguished guests of the city, educators, parents and students of SPSEC.

Details :

SPSEC in its 40 years of service unlocked the storehouse of creative geniuses, proudly announced the **FIRST** school in the entire Uttar Pradesh to have a National Level Centre for Advanced Learning. The **Inauguration Ceremony of Shri Govind Hari Singhania Centre for Advanced Learning** was held on 29th May 2022. Under the patronage of the Centre, we promulgated the commencement of ROBOTICS CLUB (**In collaboration with Science and Technology Council Students ' Gymkhana, IIT, Kanpur**), Additive Manufacturing Lab (**In collaboration with Additive Minds Academy of Germany, Eco-system partners are EOS of Germany, Additive3D and Neumesh**), the Augmented Reality Lab and Virtual Reality Lab for our students and the pupils of the city.

The **Chief Guest** of the day was esteemed **Prof. Abhay Karandikar**, the Director, IIT-Kanpur. The Ribbon Cutting Ceremony was held in the august presence of the **Chairperson, Smt. Manorama Govind Hari Singhania**, the Vice Chairman & Director, Mr Partho P Kar, the Principal Ms Bhawna Gupta, Prof. Siddhartha Panda IITK, Dean Of Students Affairs (DOSA), the members of Science and Technology Council of Student ' Gymkhana, IIT-Kanpur, distinguished guests of the city, educators, parents and students of SPSEC. The guests circumnavigated the futuristic labs and appreciated the well-equipped advanced hi-tech labs.

The distinguished guests were pleased to be informed that the school in collaboration with the Science and Technology Council of Students ' Gymkhana, IIT-Kanpur will organize an array of workshops, lectures, and competitions for the students of the Robotics Club. The MoU between SPSEC and the prestigious IIT-Kanpur will pave way for a streak of AI innovations for the participants and benefit them immensely. The students will receive guidance from the most revered mentors and the best minds of IIT, Kanpur, in the field of Information and Technology. The programme commenced by seeking the blessings of the Almighty followed by the lighting of the lamp. The school choir's rendition of the welcome song mesmerized the guests and filled the ambience with positivity.

The Chairperson, Smt. Manorama Govind Hari Singhania addressed the audience and expressed her heartfelt gratitude to the Almighty and regarded highly the efforts of IIT, Kanpur for giving rise to the vision of our Founder Chairman, Shri Govind Hari Singhania. Chairman Sir, always aspired to impart the best in class academics and comprehensive development that focuses on developing cutting-edge skills that can enable and inspire students to make an explicit difference in the technologically transforming world. She reflected on her wish of attaining direction and assistance once again from the prestigious IIT, Kanpur in the upcoming venture of the Centre i.e. Mathematics & Data Sciences Lab, the Psychology Lab and the Astronomy Lab. She further added that the key to evolution is a blend of respect for tradition and openness to innovation.

The Vote of Thanks was proposed by the **Principal, Ms Bhawna Gupta**. She expressed her heartfelt gratitude to the Chief Guest, Prof. Abhay Karandikar, and the Chairperson, Smt. Manorama Govind Hari Singhania, the Vice-Chairman & Director, Mr Partho P. Kar, Prof. Siddhartha Panda, IIT Kanpur, Dean Of Students Affairs (DOSA) and the members of Science and Technology Council of Students ' Gymkhana, IIT-Kanpur for rendering incessant assistance in all the endeavours. She also appreciated the stakeholders and students for their enthusiastic participation.

The programme culminated with the school song, '*Sahas Dhiraj Ke Hum Sathi*' which was apt for the occasion. The school choir enthralled the audience. The programme was also graced by the Manager (Accounts & Finance), Mr Ashish Bhargava, the Manager (Administration), Mr Surendra Yadav, the Vice-Principal, Ms Kavita Chadha and the Headmistress, Ms Vandana Trivedi.
