Explain the types of numbers using a model-Spin The Wheel Also, explain the properties of addition and multiplication of rational numbers by giving one example for each. File the sheets. Looking forward to receiving your resplendent piece of work.

#### MATERIAL REQUIRED -

- |   |                   |                          |
|---|-------------------|--------------------------|
| 1. Ivory sheets                             | 2. Comment Sheets | 3. Scissors              |
| 4. Pencil, Colors, sketch pen, fevicol etc. | 5. Colored Paper  | 6. Thumb pin or nut bolt |

#### SCIENCE

1. Genetic engineering is widely used in agriculture to develop new varieties of food and to increase the crop yield. With the help of Internet, find about the applications of genetic engineering and its advantages and disadvantages.
2. Microbes cannot act on plastics and disintegrate them, creates a major problem. More and more plastics that degrade are now being designed. Chemists have worked out the following methods to make degradable plastics. Find out:
  - Plastics that absorb light
  - Plastics made by bacteria
  - Soluble in water
 Find out more about biodegradable plastics.

### **SOCIAL SCIENCE**

A monument is a type of structure that is explicitly created to commemorate a person or event and has become relevant to a social group as a part of their remembrance of historic times and cultural heritage, due to its artistic, historical, political, technical and architectural importance.

Kanpur is one of the biggest cities in Uttar Pradesh. The city holds a significant position in the political, social, religious and cultural history of India.

Make an informative project by collecting the following information on any four important historical sites and representing them in a scrapbook.

- Year of establishment
- Material used
- Architectural features
- Historical importance

**Note:** Related pictures can be used to beautify the project.

### **COMPUTER SCIENCE**

Create a Game in Scratch using a good background and sprite.

**Note: -**

- The presentation will be of 10 marks
- The marks will be allotted on the basis of Background, Sprite, number of blocks used.

### **SANSKRIT**

कोई चार श्लोक अपनी नोटबुक में लिखें व उन्हें याद करें।

### **FRENCH**

- Write about any five Festivals celebrated in France and paste related pictures.
- Prepare about any 1 Festival of France in French for oral presentation.

**Note-** Holiday homework to be done in the French notebook.
