KAMLA NAGAR, KANPUR

Summer, summer almost here.  
Let's give summer a big fat cheer!  
Of this fact I'm surely clear;  
Summer is the best time of the year.

Dear Parents,

Summer vacation is a welcome break... Break from schedule, rules and regulations of the school. Freedom brings more responsibility, so keeping this in mind we have planned an array of activities to keep our children engaged and also help them in channelizing their energies positively.

**Happy Holidays ! Have fun with your little one!**

If there is one particular message this summer, it is this : Take the time to show children how wonderful, unique and special they are. Be there for them.

While we would like our children to enjoy their summer break, we thought we would share with you a few activities which could be incorporated in their routine, so that they learn while they play. Do participate and relive your childhood with them.

**How independent can I become ?**

Make your child more independent by teaching him or her various activities like :

- \*Buttoning and unbuttoning the shirt.
- \*Laying the table.
- \*Folding mats and clothes.
- \*Arranging their toy shelf.
- \*Learning to wear shoes and socks.
- \*Learning how to zip their school bag and uniform.
- \*Sorting and pairing household items.

**Good Manners and Good Habits**

Good manners and good habits are lifelong assets and this should be practiced until they become a habit. Revise the four magical words PLEASE, SORRY, THANK YOU and EXCUSE ME, which we have learnt as the basic of good manners. Make these four magical words a habit and see the difference.

**Fun with Reading and Story Narration**

Books are the chief medium of imparting knowledge and education to the kids. The books are the window to their perfect understanding of different topics. To enhance their knowledge and reading skills make your child learn any one English short story (8-10 lines) and prepare them for the narration of story. To make the story more interesting you can make your own puppets with old bottles, cartoons, ribbons, buttons etc....
