## **HOLIDAY HOMEWORK** **CLASS : IV**

Dear Students,

As the sun shines bright, it's time to relax, explore, and enjoy every moment of your summer break. Whether you're reading a book, playing outside, or discovering a new hobby, make the most of your holidays and create wonderful memories with family and friends.

While you enjoy your time off, please remember to complete your holiday homework. Balancing fun and learning will ensure you come back refreshed and ready for new opportunities.

**HAVE A FANTASTIC AND SAFE SUMMER!**

### **ENGLISH**

#### **Environmental Story Writing**

Write a short story that revolves around environmental themes such as –

Conservation

or

Recycling

The students can develop their own imaginary characters, settings, and plots that emphasize the importance of environmental sustainability. Use your creativity and imagination while writing the story.

#### **Points to consider -**

1. People who volunteer to clean up litter in their neighbourhood.
2. People who discover innovative ways to reduce energy consumption in their community.
3. Word limit (80-100 words)

\* Showcase your work in English Register.

## HINDI

1. अपने निवास स्थान (जहाँ आप रहते हैं) के आस- पास को स्वच्छ कैसे रख सकते हैं? इस विषय पर अपने विचार हिंदी की कॉपी (Notebook) में अनुच्छेद (50 शब्दों में) लिखकर व्यक्त कीजिए ।
2. स्वच्छता से संबंधित एक स्लोगन लिखिए । (इस कार्य को अपनी कलात्मकता द्वारा सुंदर तरीके से आर्ट शीट में कीजिए)
3. अपनी अभ्यास पुस्तिका के पृष्ठ 55 तथा 56 पर दिए गए अपठित गद्यांश तथा पृष्ठ 70 के क्रियाकलाप - 1 को पूरा कीजिए ।

## MATHEMATICS

Our planet has provided us with an abundance of natural resources, but we have not utilized them with responsibility and currently consumed far beyond what our planet can provide. Control on the use of resources in a sustainable manner will reverse the harm that we have inflicted on the planet.

1. Find out the petrol prices of your city Kanpur from the year **2020-2024** and arrange them in descending order.

**Note:**

- \* **Holiday Homework to be done in Mathematics Practice Register.**
2. Learn Tables 2-17.
  3. Mathematics Workbook page numbers 51, 52, 62 and 72 to be completed.

## SOCIAL SCIENCE

1. Write a paragraph on the topic: **Kanpur Achieved Top Ranking for Air Quality and Pollution Prevention Efforts!**

**Note:**

- \* The work should be done in the Social Science Notebook.
  - \* Word limit (80-100 words)
  - \* Use your creativity to make your holiday homework informative and presentable
2. Complete Activity Sheet in workbook: page no. 22

## SCIENCE

‘Stop littering the land before it stops giving crops.’

Composting is the process of adding manure, vegetable peels and other natural decaying materials in a pit, which will fertilize the soil.

In order to create awareness about the benefits of composting make a **Foldable Card**.

### Foldable Card Activity –

Take two art sheets of any colour and join them together in a horizontal manner.

Write the following steps of composting in your foldable card. (Kindly refer to the image given.)

**Step-1** Collect some fruit and vegetable scraps.

**Step-2** Add the scraps to a compost bin. Keep it damp.

**Step-3** Worms help to break down the scraps into compost.

**Step-4** When the compost is dark and crumbly, it is ready to use.

**Step-5** Add the compost to the growing plants.

**Step-6** Compost gives plants extra nutrients to grow.

## MAKING COMPOST (FOLDABLE CARD)

### Note:

- Mention the **HEADING** on the top of your card.
- Write your name, class and section at the bottom.
- Use your creativity to make your holiday homework informative and presentable.
