CLASS - BLOOM

Sweet as a berry, Summer is merry,
Cool fruits and lemonade,
A memory that will never fade,
Vacations are always fun and bright,
Filled with joy and pure delight !

Dear Parents,

Summer vacation is a welcome break... break from schedule, rules and regulations of the school. Freedom brings more responsibility, so keeping this in mind we have planned an array of activities to keep our children engaged and also help them in channelising their energies positively.

Happy Holidays ! Have fun with your little one!

This summer, let's prioritise showing our children how wonderful, unique, and special they are. Being present for them is key. We've curated a few fun activities to incorporate into their routine, blending learning with play. Join us in reliving childhood memories with our kids and making this summer unforgettable !

Make your child more independent by teaching him or her various activities like :

- *Buttoning and unbuttoning their shirt.
- *Laying the table.
- *Folding mats and clothes.
- *Arranging their toy shelf.
- *Learning to wear shoes and socks.
- *Learning how to zip their school bag and uniform.
- *Sorting and pairing household items.

Good Manners and Good Habits

Good manners and good habits are lifelong assets and should be practiced until they become a habit. Revise the four magical words PLEASE, SORRY, THANK YOU and EXCUSE ME, which we have learned as the basic of good manners. Make these four magical words a habit and see the difference.

Fun with Reading and Story Narration

Books are a child's best companion. They are the window to perfect understanding of different topics, values, cultures etc...To enhance their knowledge and to make story narration more interesting help your child to prepare props for the story 'The lion and the mouse'. You can use any material available at home preferably used ones so that the concept of sustainability gets imbibed in their minds.

FUN ACTIVITIES

1. Take a family trip and learn essential traffic rules and signs for a safe journey.
2. Practice counting upto 200.
3. Make a card for your father and give it to him on Father's Day, which is on June 15, 2025.
4. Help your parents in gardening.
5. Help your mother to fill water bottles.
6. Revise reverse counting 20-0 on stairs.
7. Lend a helping hand to your mother while serving meals to the family.
8. Count the number of family members. Tell them about the magic words you have learnt in school.

Behaviour : Good or Bad Choices

Which students behave as good students and
which ones aren't?

Colour the smiley face for Yes or the sad face for No.

Fun activity for kids

what's your name?

Spell out your name and complete the activity listed for each letter.

For a greater challenge include your middle name & do each one twice!

For variety you can use a favourite character's name or a family member's name.
