# HOLIDAY HOMEWORK

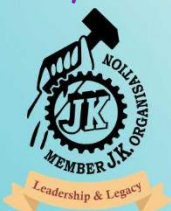

"Mindful Moments, Joyful Learning"

**Class IV**

Dear Parents and Students

In sync with our annual theme, 'Less is More: **Mindful Living, Meaningful Learning**', the holiday homework has been thoughtfully designed to promote joyful learning through simple, meaningful and creative experiences beyond the classroom.

The activities aim to nurture curiosity, creativity, values and confidence while strengthening foundational skills in an engaging manner. We request you to encourage your ward to complete the tasks sincerely and joyfully.

## Activity 1 (English): 'My Dream City'

**Objective:** To develop creative writing skills and understand the importance of peaceful and balanced living.

**Details of Activity:** Write a short paragraph (8–10 lines) on: 'My Dream City'

**Include:**

- Name of the city
- What makes it special? (focus on the city where peaceful living is valued over excess)
- Why people would like to live there?

**Learning Outcome:** Students will be able to describe an ideal city using meaningful ideas about cleanliness, greenery, peace, and responsible living.

**Where to do:** In English Register.

**Date of Submission:** July 06, 2026.

---

## Activity 2 (Mathematics): 'Count and Create'

**Objective:** To understand balance and proper use of city resources through numbers and tables.

**Details of Activity:**

### 1. My Dream Eco-Friendly City

Using the data given below draw and colour an Eco-Friendly City Pictograph.

City Data	Houses	Parks	Schools	Hospitals	Shops
Number	80	8	15	16	24

Make the pictograph using the symbols and keys given below.

= 10 houses

= 02 parks

= 03 schools

= 04 hospitals

= 08 shops

### 2. Read the Pictograph made by you and answer the following questions.

- a) If each park has 4 benches, find the total number of benches in 8 parks.
- b) If each school has 25 trees, find the total number of trees in 15 schools.

**Learning Outcome:** Students will be able to organize and represent data and solve mathematical word problems.

**Where to do:** In Mathematics Practice Register.

**Date of Submission:** July 04, 2026.

## Activity 3 (Social Science): 'Mindful Streets, Meaningful Lives'

**Objective:** To understand city planning, civic responsibilities, transport systems, and safety rules.

**Details of Activity:** Learn the importance of being responsible citizens and having well-planned cities.

**Include:**

### 1. City Planning

Explain (in 4–5 lines each):

- Why are roads important in a city?
- Why do we need hospitals and schools?
- What can we do for crowded roads and big buildings?

### 2. Civic Responsibilities

Write any 4 duties of a good citizen.

### 3. Transport & Safety

- Name any 3 modes of transport used in your city: 1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_
- Write 3 traffic rules people must follow.
- Give slogans like – **Less Traffic = Cleaner Air & Safer Life!**

### 4. Map Skills

- Draw a simple compass and label directions (N, S, E, W)
- In your city map, mark:
  - School in the North
  - Park in the South
  - Hospital in the East
  - Market in the West

**Learning Outcome:** Students will be able to explain the importance of responsible citizenship and organized city development.

**Where to do:** On a well labelled colourful comment sheet.

**Date of Submission:** July 03, 2026.

## Activity 4 (Hindi): 'मेरा स्वच्छ और सुंदर शहर'

**उद्देश्य:** स्वच्छता, हरियाली और अच्छे नागरिक व्यवहार के महत्व को समझना।

**गतिविधि: अनुच्छेद लेखन:** "मेरा स्वच्छ और सुंदर शहर" विषय पर 30 से 50 शब्दों में इसका वर्णन कीजिए | जिसमें स्वच्छता, हरियाली एवं अच्छी आदतों पर विशेष ध्यान दिया गया हो तथा एक सुन्दर रंगीन चित्र भी बनाइए |

**सीख का निष्कर्ष:** विद्यार्थी स्वच्छ और सुंदर शहर के गुणों को सरल हिंदी भाषा में व्यक्त कर पाएँगे।

**Where to do:** इस कार्य को अपनी हिंदी की नोटबुक (कॉपी) में कीजिए ।

**Date of Submission:** July 06, 2026.

**Core Message:** A dream city is not about having more, but about living thoughtfully, using resources wisely, and creating a peaceful environment for all.

### **Activity 5: Create A Kindness Corner at Home**

**Objective:** To care for nature and help living beings around us.

**Details of Activity:** Set up a simple Bird Food & Water Station in your balcony or garden using bowls or DIY items. Fill one bowl with clean water and the other with grains. Observe birds visiting and feeding at your station. Draw a picture or paste a photo of your kindness station in your Social Science Notebook.

**Learning Outcome:** Observation, empathy for animals, responsibility, and environmental awareness.

Let us embrace the joy of simple moments, practice kindness and gratitude, cherish meaningful family time, and continue learning with curiosity and mindfulness.

**Wishing you a peaceful, joyful and enriching summer break!**
